GET PAID FASTER AND BREATHE EASIER

AvidXchange is a software company that automates the accounts payable and payment process. For you that means seamless, accurate, and secure payments, with a variety of delivery options that can get you paid faster. More specifically, it means:

Maximum flexibility to get paid on your terms

Robust options to speed up the accounts receivable process

A dedicated team to execute your payments

Payment Options

We offer multiple payment methods to ensure you get paid on the terms that best fit your business needs. If you are new to the AvidPay Network, one of our team members will contact you to select your preferred payment method. Our payment methods include:

Fastest: Mastercard
Receive payment by email within 1 business day after payment approval. This option delivers a one-time use, virtual Mastercard every time an invoice is approved for payment. Fees from your merchant account may apply.

Faster: AvidPay Direct (Enhanced Direct Deposit)
Receive direct deposit within 3 business days after payment approval. This payment option delivers funds directly to your bank account and emails you remittance data for simple reconciliation. Variable transaction fees will apply.

Fast: Check
Receive checks via USPS 7-10 business days after payment approval.

Contact the Supplier Support team by emailing supplier@avidxchange.com or calling 704-971-8170 (option 1)

For Direct Deposit setups or updates, please visit http://www.avidxchange.com/supplier-care/ to submit a support ticket and follow the prompts for either "Set Up Direct Deposit" or "Update Bank Information."
